This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the South Carolina Office of Regulatory Staff (ORS) to postpone action in the processing of tariff revisions on the Application of Upstate Storage Partners, LLC ("Upstate Storage" or "the Company"). On August 21, 2008, Upstate Storage filed its application with the Commission seeking approval to amend the Company's Certificate and approval of tariff revisions to the Company's current schedule of charges.

By letter filed on August 29, 2008, the ORS requests postponement of the Commission's ruling on the application of Upstate Storage for an amended schedule of rates and charges to the Company's existing tariff to give ORS an opportunity to perform an audit and impact study regarding Upstate Storage's application. If the Commission approves ORS' request, ORS states that upon completion of the audit ORS will advise the Commission of the results of their study and their position in this proceeding.

We have examined this matter and agree that holding Upstate Storage's application over for a brief time so that the ORS can investigate the application is in the public interest. Further, we determine that granting the ORS until October 20, 2008, is sufficient time for the ORS to investigate this application, since the application was filed with the Commission on August 21, 2008. The ORS should complete its investigation and make a recommendation concerning disposition of this matter as soon as possible, but no later than October 20, 2008.

This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

Elizabeth B. Fleming, Chairman
